Number 15

Matt Malott

To say Easter worship was different this year would be a gross understatement, but in spite of the circumstances it was still a wonderful, joyous celebration of the resurrection of Jesus from the dead. So many people contributed to the service I would not begin to name them because I would surely leave someone out. Let me just say that if you were not able to watch the streaming of the service you can still watch the service by going to our website, [www.nlchristian.org](http://www.nlchristian.org) and click on the "Live Streaming" button. I don't think you will be disappointed.

I also want to thank all of you who continue to be faithful in your financial support of NLCC. I understand that every day there are checks in the mail. We have had two outstanding offerings these first two Sundays of April. I am aware of some churches who are concerned about their finances during this unusual time. Knowing you as I do, the financial stability of New Life is not one of my worries. Thank you for being so faithful.

I also wanted to bring you up to date regarding the medical clinic we are helping to build in Sandia, Mexico. We were able to send FAME (who is overseeing the project) a check for \$19,400.00. That is almost 40% of the total cost. With the money already raised by the churches in the community, they are within just a few thousand dollars of having the project fully funded. As you can guess, work has come to a standstill as they deal with the virus issue, but we are assured that when it is possible work will begin again with a vengeance. Thanks!

Hugh Wicks

As our isolation drags on, what are you finding to be your pressure points? Boredom? Anger? Impatience? Fatigue? Give it to God. Let me encourage you to spend time in His Word each day.

*"The righteous cry out, and the Lord hears them; he delivers them from all their troubles. The Lord is close to the brokenhearted and saves those who are crushed in spirit."* [Psalm 34:18-19]
