OUR MISSION: Connecting Seniors with Christ

Volume 10

June 15, 2020

Number 24

Matt Malott

It was a fine day of worship at New Life this past Sunday. It sure is better with people in the chairs! We aren't back to where we were, but we are definitely moving in that direction.

It is also good to see some of the ministries, Bible studies and support groups get back together in person. I am grateful for the technology that has allowed us to continue many of these things, but it is just so much better to actually be together.

Hugh mentioned Sunday that Mark and Margaret Ingmire have been with us for a year now. I know that no one in their wildest dreams could have foreseen what a year that would end up being. There is a saying, "You play the cards you are dealt." Mark has done exactly that, adapting his ministry to the circumstances. My goal is to always hire talented people who can do the job that we want done. But I also want to always hire good people. We hit the jackpot on both when we hired Mark and Margaret.

Sunday we began our summer sermon series that I am calling "Kings of Israel." There was a total of 38 kings and 1 queen between the two nations. We obviously can't look at them all, but I have chosen some good kings and some bad. I think it will be an informative series. This week we look at the first king, Saul.

Just a "heads up." The first Sunday of October is New Life's fifteenth birthday. We began on the first Sunday in October 2005. I don't know what we are going to do, but we will do something to celebrate. I tell you this now so you can block off that Sunday and make sure you will be with us.

Audra Jones' Small Group will resume meeting Monday, July 13th at 10am in the Fellowship Center, with a new study, "Experiencing God."

This modern classic that has sold millions of copies worldwide is based on seven Scriptural realities that teach us how to develop a true relationship with the Creator.

If you would like to take part in the study, email Audra at audrajo68@gmail.com, so she will know how many study guides to purchase. Study guides are \$15. If you have questions you may call Audra at 240-538-3883.

If you have lost a loved one, consider attending the Living with Loss Ministry that is now meeting the second 2nd and 4th Tuesday of the month in the Fellowship Center at 10:30am.

Here is what Sylvia Miller, one of the Living with Loss members, has to say: "Norma Bryant does a great job as facilitator for the group because she has background training for dealing with loss and it shows in how she leads the group. She has a different topic for each meeting, and she asks us for topic suggestions that we are interested in."

EXERCISE CLASS is meeting Mondays and Wednesdays at 1pm in the Fellowship Center. This is an easy Stretch and Balance Class, led by Vicki King. If you have questions, call her at 423-312-5003.

Our Second Sunday back together!
